

December 12th, 2006

Hello Double Helix Glassworks Customers,

It has been quite a wintry month for us! We've had flood, snow and high wind storms. All of which closed down schools, made roads impassable, and knocked out the power. We're grateful that we made it through with families and homes intact!

We hope that you are well, enjoying this holiday season and finding time to play at the torch! As a little gift from us please, enjoy a **25% discount on everything in the store from now until January 2nd!**

Happy Holidays,

Jed and Julie at [Double Helix Glassworks](#)
