New Murrini Now Available!

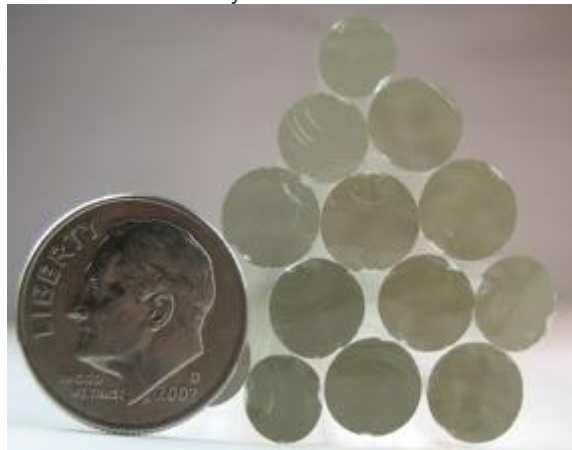

Suns and Gears

Each one ounce tin will contain a variety of sun and gear styles. All murrinis contain both striking and reducing colors. They are available in three diameters, 3-5 millimeter, 5-7 mm or 7-9 mm.

Zephyr now available in 8mm!

We've had 5 mm Zephyr (shown above) out for a few weeks. Now, we're adding 8 mm Zephyr (shown below). Actual diameter for 5 mm will vary from 4-6mm and for 8 mm it will vary from 6-9mm.
